NAME Harris Corporation

This Special Temporary Authorization is granted upon the express condition that it may be terminated by the Commission at any time without advance notice or hearing if in its discretion the need for such action arises. Nothing contained herein shall be construed as a finding by the Commission that the authority herein granted is or will be in the public interest beyond the express terms hereof.

This Special Temporary Authorization shall not vest in the grantee any right to operate the station nor any right in the use of the frequencies designated in the authorization beyond the term hereof, nor in any other manner than authorized herein. Neither the authorization nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This authorization is subject to the right of use of control the Government of the United States conferred by Section 706 of the Communications Act of 1934.

Special Temporary Authority is hereby granted to operate the apparatus described below:

Purpose Of Operation:

This authorization effective March 24, 2014 and
will expire 3:00 A.M. EST March 29, 2014

**FEDERAL
COMMUNICATIONS
COMMISSION**

Special Conditions:

- (2) Operation will be confined to a one kilometer radius of the Las Vegas Convention Center and involve no more than two base stations and associated antennae, and a small number of portable units.
- (3) Operation will occur no longer than the period between March 23, 2014 and March 28, 2014, allowing time during that period for setup and testing, demonstrations, and teardown.
- (4) This Experimental STA is non-renewable. Any Experimental STA use of radio frequencies licensed to FirstNet beyond March 28, 2014, must be made by a separate request for such use.
- (5) Applicant has stated that this temporary operation will not be used in mission-critical operations or in the delivery of live transmissions in duties to protect life, property, or safety.
- (6) Applicant understands that the requested experimental authority only permits shared use of radio frequencies and they may have to coordinate with other conference attendees using radio frequencies. It is possible that FirstNet may issue similar concurrences to other applicants attending the conference.
