

From: Stephen Gillespie

To: Doug Young

Date: November 06, 2018

Subject: Request for Info - File # 1750-EX-ST-2018

---

Message:

This correspondence confirms that the updated SpaceCap API files (sent to Doug Young on Nov. 1, 2018) are modifications to existing files as the original HSAT and HSAT-1 files submitted to the ITU. The only modifications were corrections to the orbital parameters in each file to represent the current 505km SSO.
