Subject: Experiment application 0087-EX-PL-2004

Message:

Your request for 117.975-137 MHz is too broad. You will need to work with the FAA regional office to prior coordinate specific frequencies that they will approve. Otherwise your application will be denied by the FAA headquarters. Please submit any documentation of your coordination within 30 days to avoid having to refile.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 28, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
