Attention: Mr. H. Franklin Wright

Dear Mr. Wright:

Harris Corporation, Transcomm Division was previously authorized to operate Experimental Radio Station license KB2XEM issued by the FCC November 9, 1994 to expire August 1, 1995 (copy attached).

Harris Corporation inadvertently allowed KB2XEM to expire August 1, 1995 and is hereby respectfully requesting the FCC to consider issuing Special Temporary Authority in accordance with 5.56 of the FCC Rules effective immediately for a period of sixty (60) days or until KB2XEM can be reinstated by the FCC.

We are currently in the process of preparing the FCC form 442 for reinstatement of KB2XEM noting there will be no changes made to that license and expect it to be filed with the FCC within ten (10) days of the date of this letter.

If additional information is required in support of this request, please contact our FCC licensing representative, J.A. (Josie) Lynch of Professional Licensing Consultants, Inc. at 301/309-2380 or by fax 301/309-1996. A fax confirmation of action taken by the FCC would be very much appreciated.

Sincerely,

A handwritten signature in cursive script, reading 'R.B. Strock'.
