Re: Harris Corporation
Application for renewal
of licenses for Experimental
Station KF2XEW and K12XFP

Dear Sir/Madam:

On behalf of Harris Corporation, we are filing two (2) applications for renewal of the licenses for experimental Stations KF2XEW and K12XFP.

Harris Corporation manufactures and sells radio equipment and, therefore, it needs the experimental licenses on a continuous basis to develop, test and demonstrate its products.

FCC Form 159 and the applicant's check for \$45.00 is attached to each application for the payment of the fee.

An extra copy of this filing, marked 'Please Stamp and Return this Copy to Fletcher Heald & Hildreth' is enclosed. Please date stamp this copy and return it to me in the self-addressed, stamped envelope provided.
