Subject: Call sign KA2XTH (0176-EX-RR-2001)

Message:

Dear Mr. Bryan Laughlin:

As I discussed with Mr. John Tolomay during our phone conversation on September 26, 2001, a justification for the "nationwide" use of the frequencies for call sign KA2XTH is needed. Please state the need for the broad range of frequencies requested and the need for a "nationwide" experimental license. Also, if Harris Corporation tests experimental equipment units using these frequencies, please state the need for a quantity greater than 50 units.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 04, 2001 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
