Re: Harris Corporation
Applications for renewal of
Experimental Licenses KA2XTI & KA2XTH

Dear Sir/Madam:

On behalf of Harris Corporation, RF Communications Division, we are filing its applications for renewal of the above-referenced experimental licenses. FCC Form 159 and the applicant's check for \$45.00 are attached to each application.

Harris is a manufacturer of radio equipment and has continuing need for these experimental licenses to develop, test and demonstrate its radio products.

An extra copy of this filing, marked 'Please Stamp and Return this Copy to Fletcher Heald & Hildreth' is enclosed. Please date stamp this copy and return it to me in the self-addressed, stamped envelope provided.
