REQUEST FOR WITHDRAWAL OF STA

On May 9, 2011 Harris Corporation ("Harris") filed a request for Special Temporary Authority ("STA") to conduct an experimental customer demonstration at the Muscatatuck Urban Training Center located in Butlerville, Indiana from May 15, 2011 to May 20, 2011 in conjunction with the *2011 National Level Exercise* event (*See File No. 0297-EX-ST-2011*). This event was concluded on May 20, 2011.

Owing to the short advance notice, the Commission was unable to grant Harris' STA request within the needed timeframe. Accordingly, Harris respectfully requests that the experimental Special Temporary Authority (STA) request as filed under File No. 0297-EX-ST-2011 be withdrawn.
