

**HARRIS CORPORATION
EXPERIMENTAL SPECIAL TEMPORARY
AUTHORITY APPLICATION
FILE NO. 0354-EX-ST-2008
AUGUST 2008**

AMENDMENT PURPOSE

Harris Corporation ("Harris") hereby submits this amendment to its Special Temporary Authority ("STA") request of July 8, 2008 under FCC File No. 0354-EX-ST-2008. The purpose of this amendment, pursuant to FCC request, is to reduce those bandwidths within the request which exceeded 1.2 MHz so that the STA proposal can be coordinated with the Military Assignment Group. All other information as previously submitted to the Commission remains unchanged.

As previously noted, Harris submits that a grant of an experimental STA is necessary and in the public interest because it will advance national security efforts.
