

**HARRIS CORPORATION
EXPERIMENTAL STA APPLICATION
FILE NO. 0485-EX-ST-2013**

**SUPPLEMENT TO EXHIBIT 1 -
REQUEST FOR SPECIAL TEMPORARY AUTHORITY**

Harris Corporation ("Harris") hereby supplements its previously filed request for Special Temporary Authority ("STA") to add an additional location to the STA authorization. Specifically, Harris is adding a location in Clarksville, TN (Ft. Campbell) to conduct scheduled military observed on air demonstrations of a HF Wideband waveform utilizing the Harris Mdl. RF 7800-H radio operating at 24 kHz bandwidth to allow faster data transfer via HF communications. Due to the nature of the requested demonstrations, Harris hereby asks that the Commission process this STA request as soon as possible.
