Subject: Request for Info - File #0607-EX-ST-2007

Message:

You have changed the period of experimentation from 24 months to six months to agree with the AFTRCC coordination letter. Will you seek to extend this past the original six months?

Also, you filed a request for expedited processing on Mar. 16, 2007 requesting a start date of Mar. 19, 2007. This will not be possible since coordination with government agencies is necessary. Suggest a more realistic start date.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 19, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
