Re: Harris Corporation
Applications for renewal of
licenses for Experimental
Stations KA2XTH and KA2XTI

Dear Sir/Madam:

On behalf of Harris Corporation-RF Communications Division, we are filing two applications on FCC Form 405 for renewal of the licenses for the experimental stations referenced above.

As the Commission is aware, Harris Corporation is a manufacturer of sophisticated radio equipment and needs continuous experimental authorization to continue the development, testing and demonstrating of new and improved radio equipment models. Therefore, renewal of the experimental licenses for the above-referenced stations is justified.

The applicant's check for \$45.00 is attached to each application.

An extra copy of this filing, marked 'Please Stamp and Return this Copy to Fletcher Heald & Hildreth' is enclosed. Please date stamp this copy and return it to me in the self-addressed, stamped envelope provided.
