Dear Doug:

Thank you very much for your time earlier today in tracking the status of pending Harris Corporation experimental licenses. As we discussed, the current status of a new station in Norfolk, Virginia is somewhat of a mystery to us. Attached, please find the application submitted on March 17, 1995 for this station with the time-stamp from Mellon Bank acknowledging receipt. (File No.: 4695-EX-PL-95). This station will share the same frequencies as KF2XEW in Rochester, New York and KI2XFP in Quincy, Illinois, licenses recently renewed.

Thank you again for all of your assistance in this matter. If you have any questions, please give me a call.

Very truly yours,

Kathryn A. Kleiman
