Subject: Request for Info - STA File #0528-EX-ST-2008

---

Message:

We keep getting new contracts from our client Spawar for short extensions of this license. If necessary we will file a Form 442 but we would only license it one fiscal year at a time as Spawar has need for it.

This is the same response regarding the correspondence sent for STA File Number 0529-EX-ST-2008. The confirmation number for this STA has been misplaced. How can that confirmation number be retrieved?
