Subject: Request for Info - STA File #0529-EX-ST-2008

Message:

Operations for this station have been extended several times with Special Temporary Authorities (STAs). STAs are intended for short-term use. Longer duration tests should be filed on Form 442. How much longer do you anticipate this testing to go on? If these tests will go on no longer than another six months, then we can approve this STA; otherwise a Form 442 should be filed.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 25, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
