CONFIDENTIALITY REQUEST

Submitted by:
Tom Conroe
HF Innovations, LLC
3824 Cedar Springs Road
Dallas, TX 75219
831-601-9332

1. Identification of the specific information for which confidential treatment is sought:

The information which requires confidential treatment is in the document containing the Experimental Narrative and the STA application regarding transmission power, frequency and modulation.

2. Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission:

HF Innovations, LLC submitted this application to protect proprietary development and testing processes.

3. Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged:

HF Innovations, LLC submitted this application because the information is of commercial value.

4. Explanation of the degree to which the information concerns a service that is subject to competition:

HF Innovations, LLC submitted this application because the information is commercially competitive.

5. Explanation of how disclosure of the information could result in the substantial competitive harm:

HF Innovations, LLC submitted this application because this information would provide advantages to competitors.

6. Identification of any measures taken by the submitting party to prevent unauthorized disclosure:

HF Innovations, LLC has limited the distribution of information within the company. Only a small selection of people within HF Innovations, LLC, and only on a need to know basis. A few independent consultants are supporting the effort and have signed Non-Disclosure Agreements.

7. Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties:

No HF Innovations, LLC information regarding this effort has been disclosed to the public. All parties have Non-Disclosure Agreements in place to eliminate external information sharing.

8. Justification of the period during which the submitting party asserts that material should not be available for public disclosure:

Request the information within the Narrative Statement and technical transmission details on the application be kept confidential for the duration of the License.

9. Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted:

The nature of the experimentation being conducted by HF Innovations, LLC is of value to other Companies and would put HF Innovations, LLC at a disadvantage if it were made public.
