I worked with my IT department and am now able to provide a phone number directly to me (Matt Nickels) if that is required for Stop Buzzer. We still recommend using the main Hidden Level phone number (315-238-5137), Option 4 - FCC Stop Buzzer for best coverage across all of our licenses. But if an individual name and number are required for this one, it is Matt Nickels and 315-207-3077. If possible, please list the Option 4 method as a secondary in that case. Please update the phone number on any others I am listed on if possible as well, and add the Option 4 method as well if possible.
