Experiment application 0222-EX-PL-2003

Message:

I have deleted the FM 99.7 from this application. I will gather the information for this and submit another application later. The remittance iD for form 159 is 430609 and authorization number is 106592.

This application is to allow sales and demonstration of Highway Advisory Radio. If you have any questions, please call me at 919-361-2479.
