Subject: Request for Info - File # 0515-EX-CR-2026

Message:

We would like to inform you of a recent Federal Aviation Administration (FAA) policy update regarding the use of the L1 frequency for GPS re radiation.

Before conducting any GPS re radiation activities, you are required to pre coordinate with the FAA by directly emailing the FAA representatives listed below for approval: Christopher Jones – christopher.s.jones@faa.gov and Walter Hibner (CTR) – walter.ctr.hibner@faa.gov

This requirement applies to all applications, including new requests, modifications, and renewals. Each time you submit an application involving GPS re radiation, you must pre coordinate with the FAA and obtain approval.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 28, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
