Re: Official Notice of Company Name Change

To Whom It May Concern,

Please be advised that on 31 July 2011 Honda Aircraft Company legally changed its name to "Honda Aircraft Company, LLC".

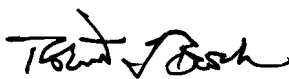

Honda Aircraft Company would request to have this name change reflected on Radio Station License call sign WC2XXN.

The management of Honda Aircraft Company was rearranged in accordance with the change from Inc. to LLC and in this new structure continues to comply with the Commission's rules.

No changes were made to the operation or facilities of the license.

Please feel free to contact me if you have any questions.

Respectfully,

Robert T. Brock
