Subject: Request for Info - File # 0002-EX-ML-2006

Message:

Since my last email frequencies have been added to the Everett location and 1090 MHz has been added to the Redmond location. None of these frequencies has any bandwidth or emission data present. There is still no exhibit explaining the request for modification of license. Return to our electronic filing system at <https://gulfoss2.fcc.gov/prod/oet/cf/els/index.cfm> and use the "Amend/Complete Application" link to enter these data.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 13, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
