Re: *Application of Horizon Wi-Com, LLC for Experimental
Authorization in Ashburn, VA on the 2305-2320 and 2345-2360
MHz Frequencies*

Dear Sir or Madam:

Comcast WCS ME05, Inc. is the licensee of KNLB276, the B Block Wireless Communications Service ("WCS") license in the Washington, DC Major Economic Area (MEA 005). Comcast has reviewed the request of Horizon Wi-Com LLC for special temporary authority to perform testing on the WCS frequencies authorized to KNLB276. If the tests being run pursuant to the Horizon Wi-Com LLC application cause interference to Comcast's operations on KNLB276, Horizon Wi-Com LLC will cease testing immediately. Comcast hereby consents to the testing as proposed in the attached application.

If you have any questions regarding this consent please do not hesitate to contact David Don at (202) 379-7145.

Respectfully submitted,

COMCAST WCS ME05, INC.
