Message:

Dear reviewer,

I would like to follow up on the status of approval of the STA application.

As I responded earlier, I have been coordinating with the two FSS operators near the STA operating location (Lumen Field in Seattle downtown) and affirmed that the result of methods HTC uses in coordination will be satisfactory based on the previous STA we obtained for a 3-week long demo event in LA near LAX airport.

Looking forward to your response.

Regards,

Wenping Ying
