Subject: Request for Info - STA File #0372-EX-ST-2010

Message:

Hello Doug,

Our LTE testing as defined by original scope is expected to finish within the next 6 months. Please grant us extension to wrap that up.

If additional items are identified for testing, we will contact you and follow your guidance for filing on form 442.

Thanks very much for your support and understanding.

Regards,

Syed Zaidi
