Subject: FCC File# 0176-EX-ML-2012

Message:

I am sorry for the confusion. I started this ammendment to the WG2XCT license about a month ago and did not copy the proper confirmation number. I did not mean to file the application on October 15 as I was not finished. I called the FCC office today and got the proper confirmation number and completed the ammended application and paid the \$60 fee. I hope verything is now in order.
