To Whom It May Concern,

Re : Government Contracts

This authorization will be used to fulfill the requirement of several government contracts with the United States Government. iRobot is under contract with Naval Explosion Ordinance Disposal Technology Division (NAVEODTECHDIV), a division of Naval Sea System Command, on project MK1MOD1 (Contract# N00174-11-D-0013). iRobot has an Indefinite delivery/indefinite quantity contract with Robotics Systems Joint Project Office (RSJPO) of the US Army (IDIQ W56HZV-11-D-0093) to support FasTac.

Regards,

6-19-2013
