-----  
Message:

You will need to submit a more detailed request for confidentiality. You will need to file a letter responding to the nine items in Part 0.459(b) of the FCC's Rules. Answer them one-by-one, in order. To speed things up, I would suggest doing this electronically at [https://gullfoss2.fcc.gov/prod/oet/index\\_els.html](https://gullfoss2.fcc.gov/prod/oet/index_els.html). Use the "Add Attachments" link. Your file number is 0414-EX-ST-2002 and your confirmation number is EL12768. If you get to any payment screens, ignore them. You do not need to pay any more than you already have.

You will also need to supply more complete information on the bandwidth and emission. Please provide that info in the format described in Part 2, Subpart C of the Rules.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 06, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.

DO NOT Reply to this email by using the 'Reply' button. In order for your response to be processed expeditiously, you must upload your response via the Internet at [https://gullfoss2.fcc.gov/prod/oet/index\\_els.html](https://gullfoss2.fcc.gov/prod/oet/index_els.html)
