Message:

Mr. Frink,

Could you please clarify the purpose of your request for 6-months license? Why can't this be done in a shorter period of time? Please bear that in mind that the requested frequency band is allocated to the public safety services and your justification is not sufficient to grant an experimental license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 27, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
