The processing for unmanned aircraft is different than manned operations. Thus, we will consider your experimental application for only manned aircraft operation. And if in future you need to switch to UAV, a new experimental application must be filed for this purpose.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 11, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
