Request for Info - STA File # 0294-EX-ST-2002- Reply

---

Message:

This comment is in response to the email sent 3/1/02, regarding our application that is in process.

We will be doing this demonstration for both US and foreign customers. Some of the equipment we are testing is built for foreign (Korea) markets but we will be showing this equipment to both US and foreign customers. We wish to extend the period of operation to 12/31/02.

thank you,

Jose Cardenas
