Subject: Request for Info - File # 1292-EX-ST-2026

Message:

Could you please share the measurement data confirming the antenna efficiency of 267 mV/m?

Additionally, I would appreciate clarification regarding the experimental operation: is it limited to daytime hours, or does it include nighttime operation as well?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 18, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
