To Whom It May Concern:

This is to certify that:

Infosys Ltd is deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Infosys Ltd in a controlled environment.

Infosys Ltd will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Infosys Ltd has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Infosys Ltd meets the Eligibility criteria for an Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,
