

This confidentiality request replaces all confidentiality requests submitted prior to March 7, 2005.

(1) Identification of the specific information for which confidential treatment is sought;

Application may be non-confidential. Operation description, exhibits justifying the 1000 device need for experimental license and purpose of the experiment are requested to be confidential.

(2) Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission;

Experimental License application 0277-EX-PL-2004

(3) Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged;

Contains trade secrets about new product development plans.

(4) Explanation of the degree to which the information concerns a service that is subject to competition;

This product does not concern a service subject to competition.

(5) Explanation of how disclosure of the information could result in substantial competitive harm;

Disclosure will inform our competitors of our product development plans far in advance of commercial introduction. This will give them time to plan and execute a response.

(6) Identification of any measures taken by the submitting party to prevent unauthorized disclosure;

All of our development is highly confidential and only disclosed outside the company under legal non-disclosure agreements.

(7) Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties;

Information is not available to the public and has not been publicly disclosed.

(8) Justification of the period during which the submitting party asserts that material should not be available for public disclosure; and

Expected commercial release is July of 2006, which is the period of confidentiality requested.
