To Whom It May Concern:

This is to certify that:

Inseego / Rocky E Peltrey deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and

approved by Inseego / Rocky E Peltrey in a controlled environment.

Inseego / Rocky E Peltrey will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Inseego / Rocky E Peltrey has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Inseego / Rocky Peltrey meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely

Rocky E Peltrey
