Subject: FCC File No. 0731-EX-CN-2017

Message:

The Special Temporary Authorization under Call Sign WK9XYZ and File Number 0345-EX-ST-2017 that was originally requested for this license was submitted to support an Army demonstration. The current requirement is to continue Independent Research and Development in anticipation for future short notice demonstrations.

If a Department of Defense sponsor is required please let us know and we can try to provide the DoD sponsor information.

Thanks
