Subject: Experiment 0154pl03 - More info

Message:

We have received concerns about your request for the use of large frequency bands. This will ultimately cause your experiment to be denied. Please review your operating needs and pick specific frequencies for testing being careful to avoid aeronautical and other critical use frequencies. Any precoordination that you can document with existing government and non-government licensees will also help clear your application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 26, 2003 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
