DISMISSED-WITHOUT PREJUDICE

Dear Mr. David Beering,

This refers to application, File No. 0299-EX-ST-2011, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Proposal to access the XTAR-LANT satellite located at 30W or the Skynet 5C at 17.8W using spectrum allocated to the military operations is only possible in support of military communications within the USA. Please work with your DoD program office and the appropriate military frequency management office in order to submit your request directly with NTIA.

Responses to this correspondence must contain the Reference number : 14022

Sincerely,
