Message:

Mr. Forsman,  
Please submit a statement explaining in detail the nature of your experiment. The attached file "Application Narrative" is somehow corrupted.  
There are 3 identical attachments (Floor plan, Overhead Layout and Interior Layout) in which none of them show the exact location of the intended antenna location (s). Please submit a floor plan depicting those locations.  
Please recalculate the link budget in the ERP instead of EIRP.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 14, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
