Request for Extension of STA

Dear Mr. Caton:

InterDigital Communications Corporation ("InterDigital") hereby requests a six-month extension of its above-referenced Special Temporary Authority ("STA"). The STA, which authorizes InterDigital to conduct tests using InterDigital's Basic Exchange Telecommunications Radio Service ("BETRS") Ultraphone equipment, was issued July 1, 1994, and expired January 1, 1995. InterDigital requests that the STA be extended to July 1, 1995.

Attached is a copy of the drug certification statement; the original will be filed within the next several days. Our firm check, to cover the fee of \$45.00, is also attached. Please call me if you have any questions.

Sincerely,
