Message:

Is the testing to be accomplished in NO or TX ?

Under "Why STA Is Necessary:" the statement is made, "This facility is on the sixth floor of our building, but conducted indoors in a lab setting, so the answers for external, elevated antennas are states as NO, but additional information can be provided if needed." However, the Station Locations lists "Houston, TX - NL 29-35-26; WL 95-06-02." Also please provide the additional information that you have indicated.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 05, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
