Message:

Dear Mr. Jim Jesse:

Please provide answers to the following questions in an exhibit (document) and submit it as stated below.

1. Is it possible to move testing outside the LA area to a more remote location?
2. Is it possible to reduce the radius of operation to 32 Km (20 miles) (CFR 47, Part 90)?
3. What steps have been taken or will be taken to prevent interference to existing land mobile systesms?
4. Is it possible to limit operation to non-public safety channels?
5. Is it possible to obtain concurrence from the land mobile frequency coordinator?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 04, 2001 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
