

(1) Identification of the specific information for which confidential treatment is sought;

[IPW] Confidentiality is being sought for the Bell South correspondence dated 02/15/2005 sent to IPWireless authorizing the user of the 2602-2614MHz band between 03/09/2005 and 03/16/2006 during the CTIA show in New Orleans.

(2) Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission;

[IPW] The information submitted is in support of STA application 0091-EX-ST-2005.

(3) Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged;

[IPW] The information is not financial, commercial or trade secret privileged. The intention of confidentiality is to prevent the public from gaining access to BellSouth's individual email addresses.

(4) Explanation of the degree to which the information concerns a service that is subject to competition;

[IPW] The information does not concern a service that is subjected to competition. The intention of confidentiality is to prevent the public from gaining access to BellSouth's individual email addresses.

(5) Explanation of how disclosure of the information could result in substantial competitive harm;

[IPW] The disclosure of the information will not result in substantial competitive harm but may damage the working relationship between Bell South and IPWireless. The intention of confidentiality is to prevent the public from gaining access to BellSouth's individual email addresses.

(6) Identification of any measures taken by the submitting party to prevent unauthorized disclosure;

[IPW] The email correspondence from Bell South authorizing the use of the spectrum is not disclosed outside IPWireless, Bell South and the submission to the FCC in support of STA 0091-EX-ST-2005.

(7) Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties;

[IPW] The information is not available to the public and there was no previous disclosure of the information to third party.

(8) Justification of the period during which the submitting party asserts that material should not be available for public disclosure; and

[IPW] The information is related to the application of the short term STA 0091-EX-ST-2005. Once the STA, if granted, expires the information would not be of any value since the authorization from Bell South would have expired as well.

(9) Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted.

[IPW] None.
