Re: ITRON, Inc.
Call Sign KA2XMI

Dear Sir or Madam:

Submitted herewith on behalf of ITRON, Inc. ("ITRON"), is an application on FCC Form 442 for modification of the above-referenced Experimental Radio Service facility. As is set out in greater detail in the enclosed application, ITRON seeks modification of license to add certain carriers, increase the power on certain carriers, and to include authority for fixed operations to support ITRON's testing program for its second-generation electronic utility meter-reading systems. A check in the amount of \$45.00, to cover the requisite FCC filing fees.

Please date-stamp the enclosed copy marked "S&R", and return it in the enclosed stamped, self-addressed envelope. Questions with respect to this matter should be directed to the undersigned.

Respectfully submitted,

Joseph A. Godles
Attorney for
ITRON, Inc.
