Message:

This STA will be used to demonstrate equipment at the Adjutants General Association of the United States Spring 2012 Conference in Lincoln, NE. The conference is 3 - 7 June 2012. The STA has been requested to begin on 2 June 2012 so that equipment can be setup and be verified to be functioning correctly before demonstrating to potential customers and those who influence acquisition decisions.

The STA will be used primarily to demonstrate Radio Based Combat Identification. A secondary use of the STA will be to demonstrate the voice communication capability of the equipment.
