The corrected geographical coordinates are :
(West 86Hrs, 10Min, 01Sec) and (North 39 Hrs, 46Min, 12Sec)

This experiment is for BOTH Base and Mobile operations. The Mobile transmitters shall operate within the 10km radius of the reported coordinates. In the event that the mobile units are to operate outside of that radius, we have informed the operators that the transmitter units shall be turned off for the duration of the extended operation, preferably until the mobile units have returned to their home base fire-house.

The first two of five (5) fixed, base units shall be at the coordinate listed above:
(West 86Hrs, 10Min, 01Sec) and (North 39 Hrs, 46Min, 12 Sec)
which is the intersection of N. West Street and W. Ohio Street. One of the base units shall be installed the the Fire-House at that intersection and the other shall be installed in the Traffic Signal Control Box at that intersection .

The third of five (5) base units shall be installed at the coordinates:
(West 86Hrs, 10Min, 01Sec) and (North 39Hrs, 46Min, 07Sec)
which is the intersection of N. West Street and W. Government Place. The base unit shall be installed in the Traffic Signal Control Box at that intersection.

The forth of five (5) base units shall be installed at the coordinates:
(West 86Hrs, 10Min, 01Sec) and (North 39Hrs, 46Min, 02Sec)
which is the intersection of West Street and W. Washington Street. The base unit shall be installed in the Traffic Signal Control Box at that intersection.

The fifth of five (5) base units shall be installed at the coordinates:
(West 86Hrs, 10Min, 02Sec) and (North 39Hrs, 45Min, 57Sec)
which is the intersection of S. West Street and W. Maryland Street. The base unit shall be installed in the Traffic Signal Control Box at that intersection.
