This is to confirm that all base and mobile operations described in my response to E-mail 3814 of this application shall be performed within a 10 km radius of the geographical coordinate, 39 degrees, 46 minutes, 12 seconds North Latitude; 86 degrees, 10 minutes, 01 seconds West Longitude.

Additionally, per our phone conversation, there is a new FRN number that is to be used for all correspondences related to payment. This was done since there appears to be someone else with the listed FRN number.

Would you please change the application's FRN TO 0013882550.
