John,

I could not amend the application via the web. Please change the county of the experiment to Jackson County. The city is Jefferson. Jackson EMC will retrieve all units at the end of the experiment. The correct number of units is as follows:

Model Number B00008 28

Model Number B00009 9

Model Number B00014 3

Model Number B00015 15

Model Number B00026 31

Please let me know if you need any additional information.

Thanks,

Christy Queen
