Redmond, WA 98012
United States

DISMISSED-WITHOUT PREJUDICE

Dear Jason Bowles,

This refers to application, File No. 1044-EX-ST-2019, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. NTIA objects to authorize the operation because there is insufficient technical data to demonstrate that this spark-gap transmitter will not cause harm to Air Traffic operations

Responses to this correspondence must contain the Reference number : 50079

Sincerely,

Anthony Serafini
Chief
Experimental Licensing Branch
