Message:

Mr. Fleming,

In order to further process your application, you will need to submit the parameters for the receiver on the intended satellite Inmarsat-4. You may have to contact the operator or manufacture to obtain these parameters.

Please provide the following information with respect to the satellite(s):

1. Receive antenna gain
2. Beamwidth of receive antenna (0-180 degrees)

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 18, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
