Message:

Dear Mr. Robert de Hilster:

Please complete the Transmitter Section of application 0060-EX-ST-2004 by entering the geographical coordinates of the center point of mobile operations and the radius in kilometers of mobile operations from that center point. Also, enter the frequency range, the peak effective radiated power, the tolerance in percentage and the emission designator (the necessary bandwidth and the three alphanumeric characters describing the type of modulation).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 18, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
